p. 1 Castro "firmly in control of Cuba."

pp. 1-2 " . . . the militia's // overall combat efficiency is low; many units are still on a part-time training basis. However, there appears to be emerging a nucleus of well organized, well equipped, and well trained units loyal to Castro and strongly Communist-influenced; we believe within the next twelve months or so these units will develop into a reasonably effective security force."

p. 2 The Army is still disrupted and "combat effectiveness of the Air Force is virtually nil."
